

Rapid City Trap Club 2010 Spring Component Order

Membership Like last year, on this form you will be able to renew your membership for the year 2010. RCTC is hoping this will be a convenience to you but also we are hoping it will relieve some of the pressure off the first few nights of the Spring League. Anyone who has already paid the 2010 dues and life members may ignore this part of the order and continue. For those that are renewing from this form you will pick up your new membership card when you pick up your order.

Also, this year's Spring component Order will be conducted on a "fill or kill" basis. In other words, if your order or any part of your order is not 'filled' by Sunset Distributors the order or part order will be "killed" and your money will be cheerfully refunded. There will be **NO** back-orders.

One Year -- Single Membership -- 2010 \$30.00

Family Membership \$40.00

Life Membership \$300.00
